## Punctuality, attendance and end of day timings

It is important that your child arrives on time everyday to school to ensure that they have a good start to the day. If your child is absent from school please provide a letter stating the reason for absence on their return. Please note that if you collect your child from the HUTC, the school day ends at **2:40pm**. Please ensure that your child is picked up on time.

## Homework

Homework is given out each Friday and is to be returned the following Wednesday. Please encourage your child to complete their Big Write homework independently.

Thank you for your continued support with

We have recently introduced our Maths Monkey. The purpose of this is to allow children to explore Maths in a fun and enjoyable way. Please work **together** with your child to be creative. You can do activities such as, baking, exploring patterns in a Masjid or going on a number hunt whilst you do your weekly shopping!

## Hadith (Prophetic saying) of the week

Each week you will receive a text message with the hadith of the week. Please spend some time talking about the hadith with your child and discuss ways to incorporate them into our daily practise.
