

# Year 2 Curriculum Letter

*As-salamu alaykum (Peace be with you)*

We hope you have had a restful and joyful holiday. We would like to welcome you back to the summer term. This term will be all about moving the children in their learning and working together to achieve the best for your children.

## Florence Nightingale

We will be learning about Florence Nightingale during the term and will be holding a super week during the last week. Please can you support your child with a project about this great figure of history.

You could look at some of the amazing things she achieved which still impact on us today.

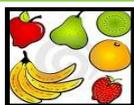

## Uniform

Please ensure your child wears the correct school uniform. A gentle reminder that all uniform including P.E kits need to be labelled with your child's full name and class. Please ensure that children are appropriately dressed for the weather. Children should wear black school shoes and NOT trainers or boots.

## SATs

During May, year 2 will be sitting their SATs test, which is an end of key stage 1 assessment. We have provided many workshops and letters in order for you to support your child. Please try and support your child where possible everyday. This may include reading with them daily for at least 10 minutes and helping them answer SATs style questions.

## Snacks and water

We provide children with a variety of fruit during the week. As the weather will be getting warmer, we advise you to give your child water every single day.

## Important dates for your diary

Mid May—SATs to be taken

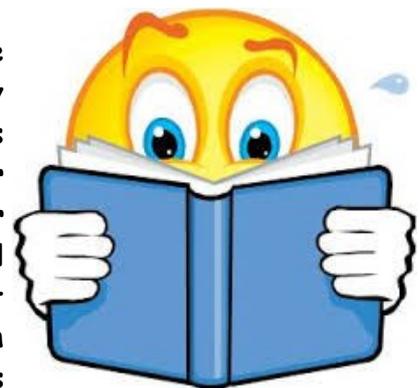

# Here is an overview of the units this term.

Music	Nasheeds	Nasheeds
PE	Ball Games	Gymnastics
MFL	Arabic	Arabic
PSHCE	Growing up	People around us

## Homework and Reading

We are very grateful for the invaluable support you give your child. Please discuss with your child the work they have done at school as the term progresses. This year is particularly crucial as the children will be sitting their end of Key Stage 1 assessments. Please encourage your child to complete the homework independently. This will boost their confidence and help them to be independent learners. Your child will take home reading books each week. Please listen to them read and ask them questions about the book they have read. In addition to this they also have new books issued in Bug Club . Please continue to read these with your children and allowing them to answer the questions about the book. Just a reminder that the school code for Bug Club is: **AAXP**

We value your continuing support with the children. Thank you. Working together the children will make positive progress.

The Year 2 team.
