

As-salamu alaykum (peace be with you)

Dear Parents and Carers,

The Year 1 children participated in their first educational visit to the Natural History Museum. The visit went extremely well and the children conducted themselves beautifully and acted as good ambassadors for the school. The children were able to gain a lot from visiting the Ice Age exhibition and will use this experience to develop their knowledge, skills and understanding in History in class.

### Open Evening

Last week we welcomed all the parents and carers of our new reception children joining us in September. This event provided the opportunity for the parents and carers to meet our staff and ask informative questions about their children starting reception at the Olive School. The evening had a very good turn out of attendees and we would like to wish our new reception intake all the best for the up and coming year.

### Sports Day

We hosted our very first sports day event at Springfield Park yesterday. We had glorious weather, a fantastic turn out and a beautiful view of the surrounding area. We were very proud of our children. Their behaviour was applauded by several visitors at the park. We were also very impressed by the sporting skills demonstrated by the children and their competitive spirit. We would also like to say a big 'thank you' to all the parents and carers who took part in the races. The children enjoyed seeing their families also compete!

### P.E Uniform

There are still a number of children who are not wearing the correct P.E kit for P.E sessions. Sadly, some of these children were not wearing their correct P.E uniforms for the Sports Day and this really stood out. It is important that children are dressed in the correct kit for P.E sessions and any sporting events to maintain our high standards. If your child was noted for not wearing the Olive School P.E kit, we will be in contact with you regarding this important matter.

### International Cuisine/Enterprise Day

This event was a huge success and we would like to take this opportunity to thank all parents and carers who contributed to this day. We had a wide range of dishes from around the world. It was a fantastic culinary experience for us all! The children also created various items such as book marks, recipe books and picture frames and raised an amazing £175.22. This money will go towards part payment of the Circus day we have in store for them as a treat to end the year.

### Class Photographs

We have had a large number of parents who have requested a class photograph as a memory of their first year at the Olive School. In response to this request we have organised for class photographs to be taken by a professional photographer on the 8th July. You will be receiving a letter regarding this shortly.
