

As-salamu alaykum (peace be with you)

Dear Parents and Carers,

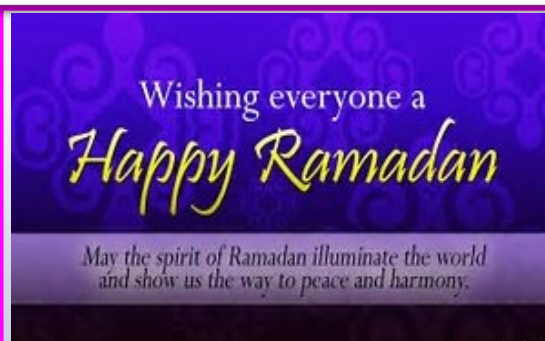

Welcome back after the half-term break. We are now on our last half-term before the summer holidays.

We still have plenty for you and your children to get involved in and contribute to the Olive School Hackney.

Please make sure that you check your child's bag regularly for letters from school and look out for the texts which we regularly send in order to keep you up to date with what's happening in and around the school.

Kingswood Residential Trip

Some of the children in Year 4 will be taking part in a 3 day residential to Kingswood in Kent during the first week of term. This proves to be a very exciting time for the children as they take part in many sporting activities during their stay.

June Walk to School Month/JRSO

For the past few months we have been focussing on using different ways of travelling to school and reducing the number of car journeys that are taken to the school.

Each day when the children come to school, they mark on a chart if they walked to school or not.

If the children walk to school every day for the month, they receive a beautifully designed badge to collect—each month there is a new design.

The class with the most children walking to school will receive a £25 token to buy something for their classroom. So come on, get walking!

We have appointed our new Junior Road safety Officers from Year 4. You will be able to see these children in the morning and after school talking to parents about parking safely and not in front of the school gates.

Remember, we can all park and stride to school!

This month we are going to introduce a bikeability week. From the 12th to the 16th June children from Year 1 to 4 will have the chance to bring their bikes into school and get them serviced by our 2 professional cyclists, Mr Ibrahim, year 4 class Teacher and Mr Hussein our ICT technician.

On Monday 12th, children and parents can bring their bikes in to be serviced at Cazenove Road. You will need to bring in your own spare parts if needed.

Tuesday 13th, Year 4 bring their bikes to school

Wednesday 14th, Year 3 bring their bikes to school

Thursday 15th, Year 2 bring their bikes to school

Friday 16th, Year 1 bring their bikes to the UTC— a letter will go out with the arrangements

On Friday 16th parents are invited to bring their bikes for a guided ride with Mr Ibrahim and Mr Hussain for approximately 10 miles!

Water

Please ensure your child comes to school with a bottle of water each day now that the weather has become hotter.

Each classroom has water for the children to help themselves to if they get thirsty throughout the day.
