

### As-salamu alaykum (peace be with you)

Dear Parents and Carers,

I would like to extend my gratitude to all of the school community for the support given to both myself and the staff at the Olive School over the past year.

The school has moved from strength to strength through the dedication and commitment of both the parents and the staff throughout the school.

I wish you all a relaxing and peaceful summer holiday and look forward to the new school year in September.

## AMAZING RESULTS

This year our children have surpassed last years results! Well done to all teachers , parents and of course, the children themselves!

In Reception, 92% of children achieved a Good Level of Development

In Year 1, 98% of children passed the phonics test

In Year 2, 90% of children achieved the expected level in reading and writing, and 91% in maths.

### Planning Appeal

Over the past 2 weeks, the ESFA has been appealing the planning decision from last year. This has been an insightful time and I would like to thank all parents and members of the community who came to show their support.

I would like to re-iterate that one of the main reasons we did not get planning permission last year is the amount of parents who insist on coming to school by car each day.

Although this has reduced markedly, we need to have less children coming to school by car in September. I will be putting all bus routes that you can take to get to school on our website.

If you want our children to have a future in a new building, all together, you will need to leave your cars at home and find alternative ways to get to school—I can't stress this enough.

We will get the result of the appeal in the Autumn term or early in 2018.
