

As-salamu alaykum (peace be with you)

Dear Parents and Carers,

With only two weeks left of this term to go, we are pushing full steam ahead with our learning. The children will take part in end of term assessments, there will also be an opportunity to meet with your child's class teacher during the final week. Please keep up to date through reading the letters sent home and our text messaging service.

Diary dates

19th Sport Relief week
23rd Sport Relief Non-uniform day
Week Beginning 26th March—Parent's Evenings
21st SATs workshop writing 9.15am UTC
26th Ibn Salamah Science Museum trip
28th Bint Qays and Ibn Thabit trip to Science Museum
28th Parent Shura
29th Last day of term

Spirituality Day

Our Spirituality Day was a roaring success with children taking part in workshops, learning about the different prophets of God. Moulana Ruhul visited each classroom retelling the stories of the prophets.

The children took part in lots of curriculum events, learning about the lives of these very special people, their personalities and characteristics.

Who is your hero?

We were honoured to have author, Zanib Mian, visit the school and spend time working with our children and teaching them about the prophets.

She completed a workshop with the parents and children in the afternoon—what an amazing day!

ATTENDANCE DATA for Week Beginning 12.03.18

Our overall attendance for this week is:

96.5 %

Well done to

Al-Farsi

For achieving the highest attendance this week!

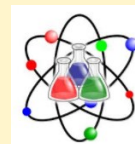

Ibn Zubayr	93.0%	Ibn Ali	93.8%
Ibn Umar	94.2%	Ibn Malik	98.3%
Bint Muhammad	94.7%	Ibn Sa'd	94.7%
Bint Qays	94.0%	Ibn Jabal	98.7%
Ibn Thabbit	96.0%	Barakah	98.3%

We are now following Hackney Learning Trust's Attendance measures. Meetings will be taking place with Hackney Attendance Officers if your child's attendance falls below 90%

Home visits are now taking place for those children who have attendance below 94%

Science Week

The children were very excited during National Science Week. On Monday Science Boffins entertained the children in both KS 1 and KS2 with experiments that wowed and delighted the children!

The children took part in different science experiments throughout the week, their Literacy and Numeracy tasks relating to the experiments they were completing. Lots of fun and lots of learning!

Children were able to experiment with different sizes of parachutes to see which one would fall to the Earth the quickest. They made predictions, then carried out their tasks.

Slime was the winner of the week with most children enjoying making and playing with it!
