

As-salamu alaykum (peace be with you)

Dear Parents and Carers,

This week saw the Year 4's take part in their very first football tournament—what a tournament it was! Over 20 teams from all over Hackney gathered at the newly developed 3G pitch at Mabley Green, with winners promised a final at Tottenham Hotspur's training ground.

The first game saw The Olive take a heavy loss, the children unfamiliar with their roles and the environment. Things improved as the tournament continued, with the Olives picking up several points and finishing third in their group, just short of a space into the coveted semi finals at Tottenham.

Thursday saw a similar tournament set up for both the Y5 girl's and boy's team. The boys were off, giving Shacklewell Primary School a drubbing of 6-0. But much like the Year 4s before them, their inexperience soon showed, taking heavy losses in subsequent games.

It was a similar tale with the girls, ending with a solitary point in the tournament. Despite this, much was learnt throughout the experience, and the children now know the expectations going forward. They can be very proud of their achievements, writing themselves into Olive's short but exciting history.

The children have shown such determination and potential in their matches, watch this space..!
