

As-salamu alaykum (peace be with you)

Dear Parents and Carers,

I would like to say a huge thank you and well done to all the children in Year 1 and those in Year 2 who completed their phonics screening test this week. The results will be given to parents in the children's reports at the end of the year.

With only a few weeks to go, we have lots of events taking place to round off the year. There are trips galore, workshops for the children to take part in and an exciting enterprise week planned for July!

Keep checking the diary dates in the newsletter and always check for letters uploaded to the school website in case your child misplaces their copy.

Weekly Sports News!

Last week the Olive School took part in Hackney's Aquathon, an opportunity for those who are not confident in swimming, to compete in pool games against other schools around the borough. There was a strong showing from the children, coming 2nd in two of the heats. It was a brilliant opportunity for children to compete with other schools without pressure. Some of the children struggled with their tasks, but with the help of the crowd, and continued perseverance, they completed their objective.

Last week also saw children from Year 5 take advantage of our link with Arsenal Football Club, playing in a weekly tournament at The Arsenal Hub. Arsenal are not only keen on promoting football skills at their hub, but also etiquettes and sportsmanship. After only two weeks, a real difference can be seen in the children's behaviour and mannerisms towards the opposition. Keep it up!

This week saw Catherine Aljibouri from Hackney come to the school to train some of our children for Hackney's 'Bike Around the Borough'. All of them passed, even completing a short route on the roads with live traffic in preparation for the big event. A big thank you is in order for Nour and Mr Patel who helped with the training, - without their support, this wouldn't have taken place.

Next week sees our Year 3 children getting a taste of borough-wide competitions for the first time! A select group of children have been excelling in the 'Personal Best' program, which pushes the children to compete and improve against themselves in various sporting activities. Those who have improved the most will be visiting Hackney Downs for the Personal Best finals, against 400 other children!

Term time holidays

We are coming up to the end of the summer term. Unfortunately we cannot allow parents to take their children out of school for an extension of the summer holidays. All term time leave will be rejected and will be classed as **unauthorised**.

If you decide to take your child on an extended holiday or visit, this could have serious consequences. Hackney Learning Trust will contact you and you will be fined £60 per child, per parent for each absence.
