

Year 6 Newsletter

As-salamu alaykum (Peace Be Upon You)

Welcome back Year 6 to another term packed with learning! We have had the good fortune of having Miss Mayet join our Year 6 team . After a year of incredible learning, we are almost at the end with the SATS now just 3 weeks away! As we enter the last 3 weeks, it is really important that the children continue to focus as much as possible and that they fully prepare themselves for the tests. Completing the year 6 SATS will be a great milestone for our children , who have been working hard to smash their targets! We would like to take this opportunity to wish our children all the best in their SATS tests! This term also marks the countdown for our year 6 children, who will be moving on to the next leg of their learning journey—secondary school!

Uniform

As we head towards the hot summer months, the children will no doubt remove their jumpers. To ensure your child's jumper is not lost, please support us by making sure that you label your child's jumper. Please also ensure that no black trainers are worn - only black school shoes. Sandals must not be worn to school and children must wear socks (or tights). For further detail on our school uniform policy, please refer to our website.

PE days

Our PE days are as follows:

Ibn Abee Taalib— Monday

Ibn Umayr— Tuesday

Ibn Haarithah— Wednesday

Please ensure that your child comes to school in their school PE kit on their PE day. If your child would like to wear a jumper for PE, please make sure that this is the school jumper and not a different one.

Water

During the summer term, please make sure that your child comes to school daily with a bottle of water. They can refill their bottles during the day.

Thank you for your continued support in ensuring your child comes to school daily and on time. Please continue with this fantastic effort as we enter the final part of the academic year.

Homework

Your child will be receiving specially selected homework from their streamed teachers each week. Please ensure this is completed in a timely fashion and returned so that the teachers can mark this. If you have any problems with the homework, please do see your child's streamed teacher at your earliest convenience.

Please encourage your child to continue to revise using the CPG books.

We have noticed the Reading Records are not being brought back into school as often as they should and this is concerning. Please remind your child to bring in their Reading Records every couple of days for this to be checked. Thank you in advance for your continued support.
