## Punctuality and Attendance

It is important that your child arrives on time everyday to school to ensure that they have a good start to the day. If your child is absent from school please provide a letter stating

We are very grateful for the invaluable support you give your child. Our research shows that children who are regularly using Bug Club (for reading) and Mathletics (for Numeracy) are making accelerated progress compared to those who are not. Please ensure you give them the best chance to progress by supporting them in these activities. Login details can be found on the front/back cover of their homework books.

It is an expectation that the high standards of presentation are continued at home, so please ensure that children look after their books and write neatly at all times.

If you need any further support please do not hesitate to speak to a member of the Year 4 team.

Kind Regards,

The Year 4 team.
