

As-salamu alaykum (peace be with you)

Dear Parents and Carers,

We are moving very quickly with our healthy schools programme! This week I noticed lots of wonderful packed lunches for the children with a variety of fruit and healthy foods, thank you for supporting this initiative.

We have booked an exciting coffee morning with the group, Alive N' Kicking, who will come to the school and talk about their healthy lifestyle programme. The programme includes nutrition sessions, enjoyable activities such as food tasting, snack making, weekly recipe challenges as well as fun group physical activity classes. This workshop is on 1st November at 9am on the Cazenove site.

As well as health, we have other focuses for the children this year. The teachers are working with the children to improve their reading and vocabulary skills. Please do take the time each evening to hear your child read, even if it is only for 10 minutes.

We are also working on our curriculum to make it as exciting for the children as possible. The teachers have booked trips for the children to go on this term and workshops for the children to take part in are in place—this proves to be an exciting autumn term!

**You are a credit to the school, we're so proud of
you!**

Welcome to the Olive school to all our new Reception children and parents who are starting with us over the next week. We look forward to meeting you and working with your children!

The first day of school can be a difficult time for both parents and children, we have organised coffee mornings on each of the starting dates so that you can be close to your children and can pop into the classrooms to check that they are happy. The coffee morning will also give you a chance to meet the other parents of Reception children and form links and friendships.

Myself, Mrs Ramjan, the Deputy Principal and Miss Barrett, the Assistant Principal will be on hand to welcome you to the school.
