Picture News

What's going on this week?

The 2nd-8th November is UK Parliament week, a week to learn all about how Parliament works. In recent months, MPs who work in the House of Commons (part of Parliament) have received disapproval from some people who believe that the 650 MPs who make many of the key decisions in the running of the UK have not been working effectively together. Particularly with regards to Brexit, which has caused many issues between MPs with very few agreements being reached.

The Mace

The Mace is a symbol of the Queen's authority that sits in the House of Commons chamber when Parliament is in session. Any debate that takes place without it being there is illegal!

Recently, an MP called Lloyd Russell-Moyle caused chaos by grabbing it when the Prime Minister at the time, Theresa May, announced she was going to delay one of the Brexit votes in December 2018.

Pegs

Like you may have at school, each MP has a named peg to hang their coat on! Each one also has a purple ribbon attached, which is meant for MPs to hang their swords from!

Things to talk about at home...

- 🍏 What do we know about how important decisions are made in our country?
- 🍏 Do we know who our local MP is? Do we know what they do?
- 🍏 Did you know you can write to or email your local MP about any issues you have in your area? Do you have anything you would like to say to them?
- 🍏 Do you think it is important to have one leader in charge? What qualities do you think they should possess? Do you think it would be a hard job? Would you like to do it?
