

Olive School

18th- 22nd November 2019

Principal's Welcome

As-salamu alaykum (peace be with you)

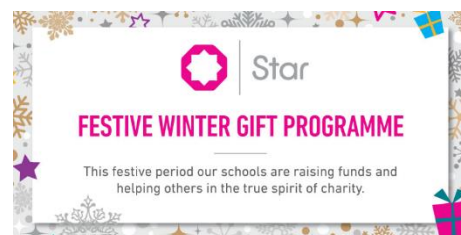

Dear Parents,

On Wednesday 27th, the children will be having our individual school photographs taken. Please make sure that your child is wearing correct school uniform on that day and that they are neatly presented. Please could I also remind parents that the only school bags that the children should be bringing in to school should be the small Olive PE bags, the Olive school book bags and a small packed lunch bag. Large ruck sacks are not part of the school uniform and are causing health and safety issues as we have no space to store these bags.

Now that we are in November, we are launching our annual winter gift project. Miss Barrett is leading on the project this year and will be sending out some information during the coming week. The Olive school Hackney community has always been extremely generous and we ask that once again we think of those who are less fortunate than us.

Sports News

Last week, some of you got to watch England V Montenegro. And what a match it was, England scoring a phenomenal 7 goals with no reply. We will endeavour to get similar opportunities for the rest of our school in the future.

This week marks the final session at the Arsenal Hub, 10 lucky children have enjoyed the football sessions run by the Arsenal coaches at their state of the art facilities. We will look to get more sessions booked for the summer term so that more children can benefit from this fantastic opportunity.

Next week marks the beginning of the Hackney cross country series, where up to 400 children will race a mile around Hackney Downs. We are hoping one of our pupils can beat our personal best of coming 34th from last year.

Also next week, some children will get to take in a Panathlon Challenge, giving opportunity to the less able to compete with others around Hackney. Watch this space to see the results!

at Home

Broadclyst Community Primary School in Exeter has an average class size of 42 and is home to one of the biggest primary aged classes in the UK with a Year 6 class of 63 pupils! The school is known for its forward-thinking approach and good use of technology. The large Year 6 class are taught in a modern lecture-theatre style room where each child has their own digital device as a learning aid.

Things to talk about at home...

- 🍎 Talk about how many children are in your class, ask any adults you live with how many children were in their classes when they were at school. Were the class sizes bigger or smaller?
- 🍎 Discuss the benefits of big class sizes and smaller class sizes.
- 🍎 Share your thoughts about the layout of the Year 6 classroom at Broadclyst (shown in the poster above). How is it similar or different from your classroom?

British Values

Individual Liberty

In school we are often organised into groups to support our learning. This means we need to think carefully about the words we use and how we act towards others in order to help make our classrooms happy and successful places!
