A Surprise at the Beach

Use the words, phrases and sentence openers in the box to write a short story.

The story is set at the beach. You and your friends find a cave in the cliffs. Inside is a big shadow that you are afraid of but it turns out to be a little mouse. You go home before the tide comes in.

It is a good idea to colour code the words and phrases before you start, deciding which sentences will be in the introduction, build-up, problem, resolution and ending.
