

Year 1 Ramadan!

This week we would like the Year 1 children to make a crescent picture of the moon.

Find a piece of paper and draw the night sky with a moon and stars, then fold it like a paper fan.

Use a paper plate or use a piece of paper or card and decorate as you like – you could colour it or stick things on – how creative can you be?

Why don't you make a cosy den like the cave in Mount Hira, put a prayer mat in and read a surah from the Qur'an?

Which Surah will you read?

Please share your child's work by sending a photograph to the school at this address:
