

Find the Numbers

Reasoning about Division - Answers

Some of the numbers from these number sentences have been stolen! What numbers could they be? Write down all the possible answers.

$$8 \div \boxed{2} = \boxed{4}$$

$$15 \div \boxed{5} = \boxed{3}$$

$$30 \div \boxed{2} = \boxed{15}$$

$$30 \div \boxed{5} = \boxed{6}$$

$$30 \div \boxed{10} = \boxed{3}$$

Talk to children about any patterns they can see.
