

# Drawing texture with pencil

Texture is the feeling, appearance or consistency of an object or material. It can be natural or man-made, functional or decorative. Artists try to replicate the texture of the subject to make their work look as realistic as possible.

## Activity

Different textures are all around us. Find objects or materials within the room with an interesting texture. Feel them and describe them.

# Drawing texture using line and tone

In your sketchbook, experiment drawing different textures with different pencils.
