

Ramadan Calendar Challenge

SERVICE

TEAMWORK

Year 6, we have a special challenge for you! You have the task to create an imaginative, creative and motivating Ramadan calendar using household recycled materials. It needs to be engaging, so think about how you can make it look appealing.

The aim of the challenge is to give yourself daily deeds to complete each calendar day which embeds a hadith and relates to the STAR values.

Try to be innovative when designing your calendar, as the most creative and engaging calendar will win a special prize!

AMBITION

RESPECT

Layout

There are two options when deciding the layout of your deeds:

1. You can either have different forms of deeds which relates to the STAR values on a daily basis.

OR

2. You can follow this structure:

Week 1 deeds based on Service
Week 2 deeds based on Teamwork
Week 3 deeds based on Ambition
Week 4 deeds based on Respect

What the deeds need to relate to:

- STAR values, Hadiths & Ramadan.
- You can add questions/quiz to make it interactive.
- The deeds can relate to helping your family members out (e.g. help your parents/siblings out with household duties)
- The deeds can include you researching or reading about the conduct of the Prophet (PBUH) and explaining how you have implemented such conduct in your life e.g. forgiving your younger siblings if they have hurt you.
