

LO: To recognise that bodies and feelings can both be hurt.

Task 1

Sort the pictures explaining orally which ones can hurt our feelings and which ones can hurt our bodies.

Challenge

Task 2

Read through each scenario and identify what has been hurt.

	How are they hurt? Feelings or body?
John was riding his bike and fell off his bike.	Body
Sue's friends ignored her at school.	
Mary's big sister snatched her toy.	
Sam bumped his head on the wall.	
Kate sprained her ankle in the park.	
Tony fell from the top of a ladder and broke his arm.	

Answers

Task 1

Sort the pictures explaining orally which ones can hurt our feelings and which ones can hurt our bodies.

Challenge

Task 2

Read through each scenario and identify what has been hurt.

	How are they hurt? Feelings or body?
