

Recycling!

Discuss with children.

What is recycling?

What can we recycle?

Why is recycling important?

Discuss: we recycle items to reduce waste. The following things that we may find in our homes can be recycled: newspapers, letters, magazines, plastic bottles, drinks cans, food tins, cardboard boxes, glass jars.

Task 1

Keep a diary of what you have recycled at home for 3 days. See if you can reuse some of the things or use it for a different purpose.

Challenge Task

Using paper recycling video as stimulus, discuss and write about the process of paper recycling.
