

Literacy Weekly work

For Literacy this week, we would like the children to write a set of instructions for something they are good at making or baking. To help the children prepare for their Writing, use the following question prompts to come up with ideas for their story.

Remember your set of instructions must show an order.

- What will the title be?
- Which bossy verbs will you include?
- What sort of details could you use to be specific?
- How will you begin your sentences?
- Could you include a diagram? If so, what would it be of?
