

About the Book

My Evil Twin Is a Supervillain

When Luke is confronted with Stellar, his superpowered twin from another dimension, he is highly suspicious. No one travels through time and space without a plan, and that plan is usually EVIL. So what does Stellar want? And why is he so unbelievably irritating? From his superhero hair to his rocket-powered shoes, Stellar is up to no good, and Luke must bring him down!

My Evil Twin Is a Supervillain is the third in the hilarious, prize-winning series from David Solomons, this time featuring an interdimensional toilet.
