

# Olive School Hackney

## Principal's Welcome 29-6-2020

As-salamu alaykum (peace be with you)

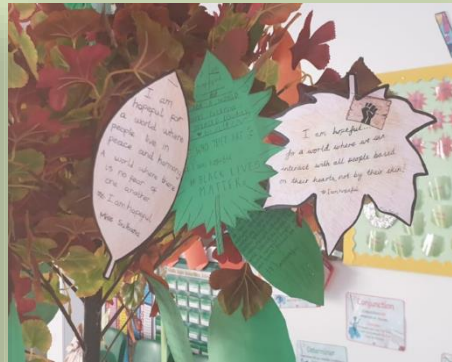

Dear Parents,

Thank you for attending the school's online learning with the teachers, unfortunately, these will be ending on Tuesday 30<sup>th</sup> June to allow the teachers to come back into school to prepare the buildings for the new school year in September when we hope to invite all children back.

Next year, Years 2-5 will be housed at the UTC until their move to the Olive Brooke Road Building. Reception and Year 1 will be at the Cazenove Road site until their move to the Olive School building in the police station, and Year 6 will stay at the Cazenove site for the school year.

### Black Lives Matter

Last week, the children looked at Black Lives matter in their PHSE lessons with Oak National Academy and have completed some work around this subject. They looked at reasons to be hopeful for the future and changes they would like to see. This was a very reflective lesson for the children, and they came up with some thoughtful ideas!

### Projects

The teachers have organised projects for each class to take part in, from learning about seasons, researching the Egyptians to designing sustainable homes! You can find these projects on the home learning page of the website. We look forward to seeing your child's work – please email your child's project to [info@olivehackney.staracademies.org](mailto:info@olivehackney.staracademies.org) by Friday 10<sup>th</sup> July. <https://www.olivehackney.com/learning/home-learning/>

### Sports Day

Mr Ibrahim has been busily organising this year's sports day which will be undertaken at home – very exciting! Please look out for the letter sent to you later this week for all of the details – we would like all children to take part!

## WELCOME

As-salamu alaykum (peace be with you)

Another week and another set of amazing activities and learning opportunities for the children! Have a look at a few of the exciting things the children have been getting up to.

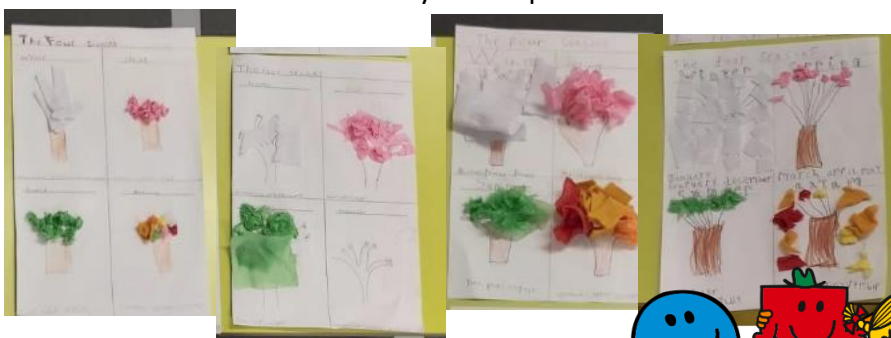

## year 1

**Year 1 have been creating their own books!**

The children were tasked with constructing, designing and writing their own Mr. Men book. I think you'll agree that they have done a stunning job!

With summer out in full force the children had look back at all the seasons of the year. They looked at how weather, daylight, plants and wildlife changes over the seasons and the months they encompass.

## RECEPTION

**Reception has been building boats!**

As part of their Literacy work, the children have been reading Mr. Gumpy's Outing. They had a go at creating their own version of his boat. Look at some of the delightful designs they created!

## Hadith/Teaching of the week

**We should speak politely and mind our own business.**
