

# What Is a Continent?

A continent is a massive piece of land that is often separated from other areas of land by water or another feature, such as mountains.

Planet Earth has seven continents. Do you know the names of any of them?

# What Is a Continent?

# What Is Europe?

What is Europe?

Europe is one of the world's continents. Around 10% of the world's population lives in Europe.

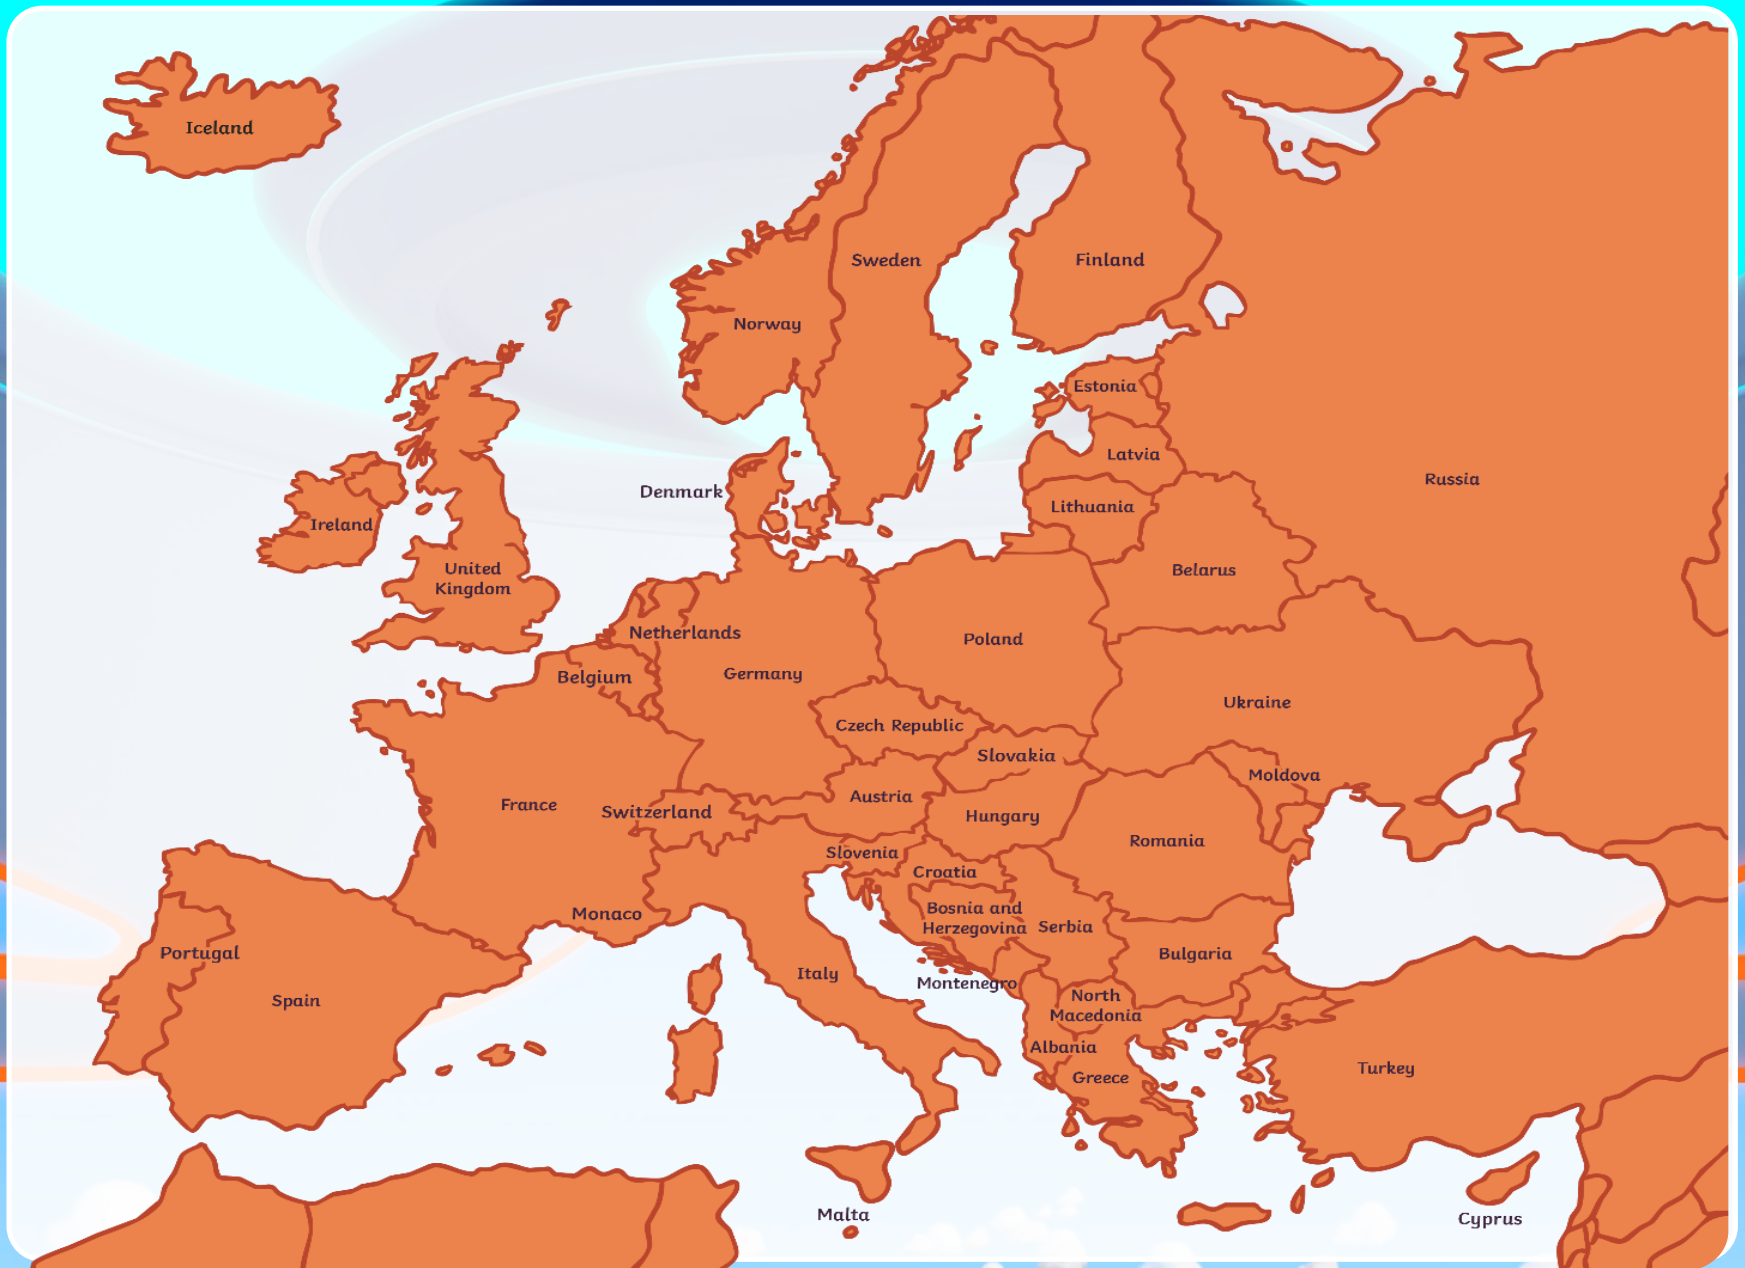

# Europe

Here is a map which shows the countries that make up the continent of Europe. **Geographic!**

# Your Task

Look carefully at the map of  
Europe

Locate the following countries:  
**UK, France, Poland, Turkey and Finland**

**Challenge:**

Use directional language to describe each country's location. For example, Turkey is above Cyprus.
