# THE SUSTAINABLE HOME PROJECT

To take part in this project, you need to:

- Use the internet or books to find out about the features of sustainable homes.

- Design your own sustainable home for a family of four people.

-

- Create your own 3D sustainable home using recycled items found in your home.

- Write two paragraphs to explain why you have chosen these sustainable features.

To submit your project, please send pictures and/or word documents with your full name and class name to: info@olivehackney.staracademies.org

The three best entries in each class will receive a certificate.

PROJECT DEADLINE FRIDAY 10TH
JULY 2020
