

# Tense Tales

Vera vlogged what she did in the summer holidays so that she could write a blog post about it later, but her vlog was all in the present tense. She's struggling to rewrite it in the past tense – can you help her?

We are walking down the beach and eating an ice cream. The weather is so hot and sunny that I'm getting a tan! We are heading towards the marina and we can see the yachts turning in.

We are finding a restaurant to have our evening meal in. We are looking at all of the menus and deciding what we'd like. Dad is laughing at the prices – it's so much cheaper than at home!

I'm going for a swim in the pool before I go to bed – it is so relaxing.
