

Year 1

Year 1 have been studying the weather!

The children had a chance to become meteorologists and studied the climate and weather! They created wind socks to measure the speed and the direction of the wind.

In Literacy, the children were on the prowl for a tiger after they had read *The Tiger Who Came to Tea!* They created wanted posters, hoping someone could help point them in his direction.

The children have also been exploring money. They identified coins, tallied amounts and compared different values.

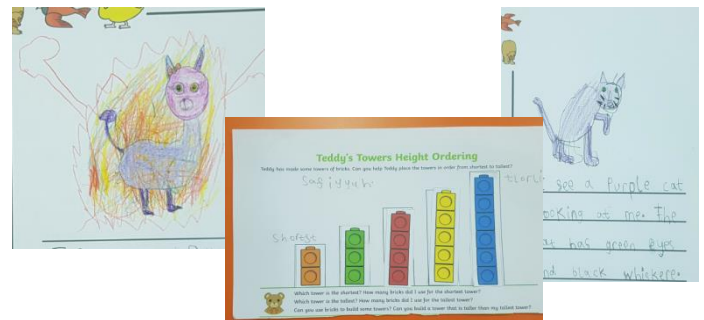

Reception

Reception have been exploring space!

The children have been exploring many aspects of space and had a chance to design a rocket of their own!

In Numeracy, the children studied height and ordered the height of towers from shortest to tallest. In Literacy they described a variety of fictional animals with some super descriptions!

Hadith/Teaching of the week

A good person is the one who does not hurt others with their thoughts, words or actions.
