It is imperative that children represent our school by wearing the correct uniform at all times. Please ensure your child wears the correct school uniform. It would be incredibly helpful if you could please make sure that **all** pieces of uniform are labelled with your child's name. We would also like to encourage you to make sure your child wears the correct black footwear and please ensure that your child's socks are grey instead of socks with different colours or patterns (which is not in our policy).

PE days

Ibn Haarithah	Friday
Ibn Abee Talib	Friday
Ibn Umayr	Friday

This half-term, the children will be taking part in one PE lesson with every week with Mr Ibrahim. Please refer to the table for your child's PE day. They must come to school in their PE kit.

Water

It is really important that children have access to fresh water throughout the day. This helps the children maintain their focus and concentration because they are not thirsty during the day. Please support us by providing your child with a water bottle which has their names written clearly on them. We will then make sure their water is topped up throughout the day. Thank you.

Punctuality and Attendance

It is important that your child arrives to school on time everyday to ensure that they have a good start to the day. Attendance is also crucial. By sending your child to school everyday will help them to maximise their learning throughout the year. If your child is absent from school, please provide a letter stating the reason for absence on their return.

Homework

Your child will be given a short daily homework task. In addition to this your we will give out a longer homework task each week. This will help them to practise their learning they have been taught in the week. It is very important that they complete all of their homework neatly in their homework books, this will be monitored closely. Homework will be set on Friday of each week and will need to be completed and returned by Wednesday of the following week. Your child will be getting:

- Spellings to practise
- Literacy (writing) homework
- Maths homework

In addition to the homework above, it is incredibly important that your child reads every single day for 25 minutes to an adult. Your child must show evidence of their reading by filling in their reading record every night and then hand it into their teacher the following day who will monitor their reading. If you have any questions, please do not hesitate to speak to any member of the Year 6 team.

Kind regards,
The Year 6 team
