## School Closures

The Principal sent two letters to all parents on 31<sup>st</sup> December 2020 and 1<sup>st</sup> January 2021. These can be downloaded via the links below:

Letter 1: <https://bit.ly/2JyLZKt>

Letter 2: <https://bit.ly/34XTcuX>

We wish to remind parents that the government released its latest government guidance yesterday evening advising all primary schools in London (including Hackney) to close until 18<sup>th</sup> January 2021. You can read the announcement here:

<https://www.gov.uk/government/news/contingency-framework-implemented-across-london-boroughs>

Olive School will be closed until at least 18<sup>th</sup> January 2021 when the decision will be reviewed (except for vulnerable pupils and children with parents who are critical keyworkers).

## Remote Learning from Home

A full remote learning timetable is in place for all pupils and will be delivered by the class teachers from Monday 4<sup>th</sup> January 2021 via Microsoft TEAMS. We have designed the timetable to ensure that not all pupils need to be online at the same time. Please click on the link below to view the remote learning from home timetable: <https://bit.ly/3pJITCR>

Whilst all pupils in Year 1 – 6 will receive LIVE teaching, Reception pupils will follow a flexible schedule which will involve pre-recorded lessons uploaded to TEAMS.

We will review the remote learning timetable at the end of the week and try to improve it further the following week.

## Vulnerable Pupils & Critical Keyworker Children

Vulnerable pupils (including pupils with EHCP) and critical keyworker children are able to attend school during the next two weeks. We will only be opening the new building on Lower Clapton Road (2 Lower Clapton Road, Hackney, London E5 OPA) for this purpose. These pupils will access the same remote learning as pupils learning from home.

However, as the aim of closing school buildings to children is to reduce transmission of Covid-19, if there an adult at home who is able to provide childcare, it would be preferable for your child to join in remote learning from home rather than attend school in person.

Please [click here](#) for the government list of vulnerable pupils and critical keyworkers.

- If your child has an Education, Healthcare Plan (EHCP) and you would like to send your child to school from 4<sup>th</sup> January 2021, then please complete this form by **2pm on Sunday 3<sup>rd</sup> January**: <http://bit.ly/38ULgvR>
- If you are a critical keyworker, there is no adult at home who is able to provide childcare, and you would like to send your child to school from 4<sup>th</sup> January 2021, then please complete this form by **2pm on Sunday 3<sup>rd</sup> January**: <http://bit.ly/3n6Yiel>

## Message from Principal (Mr. Mirza)

Assalamu alaikum (peace be with you)

My thoughts and prayers are with those who have lost loved ones this week. May those who have passed away be granted into the highest level of Jannah, the gardens of paradise without account. Ameen.

Please accept my sincerest apologies for the delay in sending out this week's parent bulletin. The government announcement that schools should close came only last night at 7:20pm. Since then, we have been working hard to organise ourselves over this bank holiday weekend to ensure that we are ready to deliver high quality remote learning to all of our pupils and to also provide an opportunity for vulnerable pupils and critical keyworker children to continue their learning at school (if needed) from 4<sup>th</sup> January 2021.

These are challenging times for everyone and I ask that you remain patient with us during the next two weeks. All staff will be working tremendously hard over the next two weeks to ensure that all Olive pupils continue their learning. Thank you for your ongoing cooperation and support. May Allah grant us all patience, protection and safety. Ameen.
