

As **Writers** we will be using quality texts as a stimulus focusing on writing information texts, simple sentences, instructions, and recounts.

As **Readers** we will be reading books based on our topics 'Travelling to Space' and 'Journeys'.

Children will develop their reading skills by understanding the text that has been read to them.

As **Geographers** we will be looking at different countries from around the world and comparing these countries to the UK.

As **Historians** we will be exploring transport from the past.

As **Mathematicians** we will be learning about numbers beyond 10; doubling and halving numbers, number bonds, and estimation. We will be exploring shapes, space, and measures.

As **Artists** we will be learning about different artists such as Peter Thorpe, George Seurat, and Van Gogh. We will look at different techniques such as etching, collage, junk modelling, weaving, painting, and printing.

Reception

Curriculum Map
Spring Term 2022

As **Musicians** we will be singing a rhyme of the week and learning a nasheed.

As **Design Technologists** we will be learning about materials and joins.

As **Scientists** we will be learning about Space, forces, seasons, and growing plants.

As **Linguists** we will be learning basic phrases taught through 'French Friday' and themed days.

As **Global Citizens**, we will be learning about 'stranger danger', bullying, and behaviour.

As **Athletes** we will be learning ballet, ball games, and gymnastics.
