

As **Writers** we will be exploring stories from other cultures, shape poems, and calligrams, as well as leaflets. We will be exploring the structural and language features of each genre to help us write our very own.

As **Readers** we will develop comprehension skills through exploring key questions related to fiction and non-fiction texts. We will develop our fluency through reading daily at school and home and completing our reading journals.

As **Geographers** we will be studying our local area. We will learn how to read a map and how to use a key to find information on a map. We will also be sketching different buildings in our local area. We will learn what an address is and how our local area has changed over time.

As **Historians** we will be studying the Vikings. We will focus on the history of the Vikings and the invasion of the Vikings. We will look at why the Vikings invaded Britain and how some kings dealt with the invasion.

As **Mathematicians** we will focus on our understanding of number and place value to help us multiply and divide, focussing on multiplying and dividing 2 digits by 1 digit, multiplying with exchanging, and dividing with remainders.

As **Artists** we will be studying Giuseppe Arcimboldo and his art. We learn all about portraits and how to observe the face to the correct details. We will use different textiles to make self-portraits.

Year 3 Curriculum Map Spring Term 2022

As **Computer Scientists** we will be looking at online polling. We will focus on online relationships and look at how times have changed with online activity. We will focus on online safety and to use

As **Design Technologists** we will be investigating mechanical systems in different things. Some of these will be toys, theme parks and robots. We will design our own moving monsters and create them.

As **Scientists** we will be looking at rocks and how they are formed. We will focus on the life of Mary Anning and how her work impacted on what we know about fossils today. We will then look at plants and learn how they grow, what they need to grow,

As **Linguists** we will focus on developing our skill with pronouncing words in a different language with greater accuracy.

As **Global Citizens**, we will be taking a deep dive into bullying and how to recognise it. We will learn what a victim is, the signs of a bully and how we can help if we witness bullying. We will then be taking a look at healthy eating and what that looks like. We will learn what foods are good for us and how to make the right choices.

As **Musicians** we will be learning nasheeds about our beloved Prophet Muhammad PBUH.

As **Athletes** we will focus on gymnastics and dance. We will then move on to learn how to play invasion games such as hockey.
