

As **Writers** we will be creating instructions, looking at significant authors, and writing recounts. We will aim to use common exception words, suffix words, and a variety of punctuation in our writing consistently.

As **Mathematicians** we will continue to recap our learning. We will learn about directions, measurement (measuring in kg and ml). We will also look at efficient strategies to help us solve problems.

As **Scientists** we will be learning about astronomy and the earth. Children will explore planets and think about why they are different to earth.

As **Readers** we will become fluent, speedy readers! We will read a variety of texts to increase our background knowledge and try to make connections with what we read. We will make strong inferences based on what we have read and what we know. We will continue reading our common exception words.

As **Artists** we will be learning about mother nature. We will focus on textiles and drawing.

As **Linguists** we will be learning about pets, wild animals, and food in French. And in Arabic we will be learning about adjectives and question words.

Year 2 Curriculum Map Summer Term 2022

As **Global Citizens**, we will be learning about dealing with friendships.

As **Historians** we will be learning about Florence Nightingale. We will start our topic off with a workshop which aims to bring Florence Nightingale to life through acting.

As **Musicians** we will be singing and learning songs based on diversity, kindness, and respect.

As **Athletes** we will learning the skills of striking and fielding, and athletics.

As **Design Technologists** we will learn how to make sandwiches.
