

PHYSICAL EDUCATION AND SPORT PREMIUM FUNDING: 2023/2024

IMPACT REPORT

For the academic year **2022/2023**, the school received **£21,360**.

The table below indicates how the PE and sport premium funding was spent, along with the impact that this had in relation to five key strands:

- Strand 1: The engagement of all pupils in regular physical activity is increased. (Chief Medical Officer's guidance is for all primary school aged pupils to spend 60 minutes a day engaged in physical activity, of which 30 minutes should be in school)
- Strand 2: The profile of physical education and sport is raised across the school as a tool for school improvement.
- Strand 3: All staff have increased knowledge and skills in teaching physical education and sport.
- Strand 4: A broader experience and range of sports and activities is offered to all pupils.
- Strand 5: There is increased participation in competitive sport.

The table below indicates how the PE and sport premium funding was spent, along with the impact that this had on increasing pupils' participation in sport and attainment in physical education in a sustainable way.
